A MESSAGE FROM THE DO GOOD DIVAS

The Do Good Divas would like to express their gratitude and appreciation to everyone who supported the return of our annual signature event “A Girls Night Out in Handbag Heaven”. After a two year hiatus caused by Covid, we are happy to bring our unique fundraiser back once again to support our health-related programs and services in our community.

This year proceeds will benefit **Habitat for Humanity Windsor-Essex** specifically to help support the construction of 2 affordable homes in Windsor’s Sandwich Towne. This partnership is new for the Divas. Affordable housing is a serious concern for our community and the programs offered by Habitat for Humanity are successful in building lasting change for a stronger, healthier community. The Divas are very proud to support this particular building project which will soon benefit two hard working families.

The Do Good Divas are also committed to raising awareness in our community about the need for organ and tissue donations. Organ donation is critical to saving lives. For more information or to register as a donor, go online to www.beadonor.ca.

The generosity of sponsors, businesses, and individuals in supporting our efforts since the first handbag event in 2007, is the key to our fund-raising success. The Do

Good Divas have donated approximately \$650,000 to various local causes for the health and well-being of our community.

We sincerely and strongly urge everyone to support the community-minded businesses and retailers listed in this shopping guide. They deserve your patronage and don’t hesitate to say a good diva sent you!

The Do Good Divas look forward to doing many more good deeds for the overall health and wellbeing of our community and hope that you will join us again next year!

We sincerely appreciate the generosity of each and every donation in support of this year’s event. All confirmed donations prior to our printing deadline of October 10th have been included in “Diva Destinations” and we have tried our diva best to ensure that there are no errors or omissions in this publication.
